

TUESDAY TECH TEACHINGS

Just a moment...

The presentation will begin shortly.

What are Tuesday Tech Teachings?

Once-Weekly Presentations focused on a section of a chosen monthly topic.

10-15-minute live demonstration followed by a hands-on do-it-yourself experience.

Post-demonstration Q & A on any technology related topic.

If you've been here before, welcome back!
And, if you're new here, welcome!

Topic Schedule for this month.

So... WHAT IS A BLUETOOTH SPEAKER?

A Bluetooth Speaker is...

An item that can play music while wirelessly connected to your phone, tablet, and computer.

(Sometimes) an item that you can listen and respond to telephone calls with.

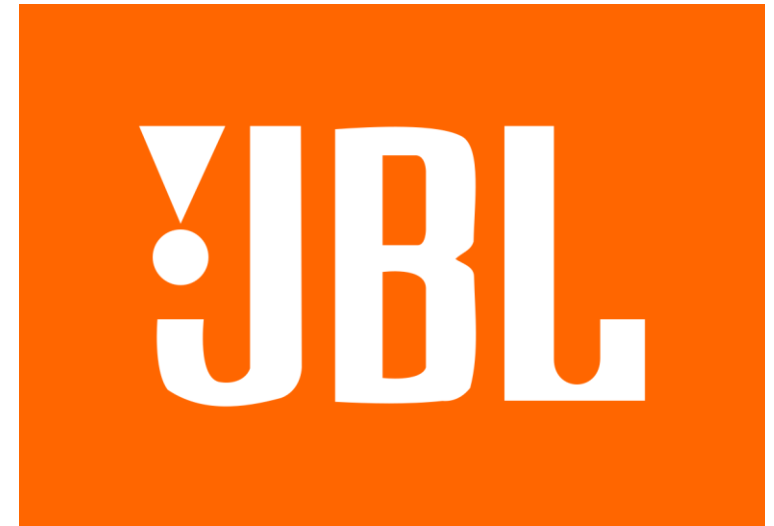

A wireless speaker you can use whether you are connected to the internet or not.

Let's connect to a Bluetooth Speaker!

Here's some step-by-step instructions,
in live demo form!
