This Week's  
Topic!

# So... WHAT IS A PODCAST?

A podcast is:

A type of online source that can convey a story, news, or interesting facts to you.

Something you can play through a Bluetooth speaker.

Something you can access on an online music player. 😊

# Examples of Podcast Players

Apple  
Podcasts

**You can access a podcast  
just like you would access  
music.**

Open your podcast app, search for the  
podcast and click “play”.

**Let’s demonstrate.**
