Email systems we'll be discussing today

Gmail is Google's free email platform.

Here are some advantages of Gmail:

1. Includes a free 15 gigabytes of storage (that's a lot of storage!)
2. Allows you to access Google Drive and its associated products
3. Accessible from any device
4. Allows you to access Google Meet (online video call software)
5. Extremely user-friendly interface.

Outlook is Microsoft's free email platform.

Here are some advantages of Outlook:

1. Includes a free 15 gigabytes of storage (that's a lot of storage!)
2. Allows you to access Microsoft 365 apps *online*
3. Accessible from any device
4. Offers a desktop application for Windows users.
5. More advanced features than Gmail

**Let's explore these
email softwares.**

Just a heads up...
