

TUESDAY TECH TEACHINGS

Welcome!

The presentation will begin shortly.

Month 6 Week 2 (Sept 14)

September and October = Online Shopping!

Months 6 and 7 of presentations (will be listed as Month 6/7)

Week 1 (September 9th): Are You Smarter than a 5th Grader? 

Week 2 (September 16th): Amazon

Week 3 (September 23rd): Amazon, Part 2

Week 4 (September 30th): Online Grocery Orders

Week 5 (October 7th): Ordering Food Online

Week 6 (October 14th): Guess That Song! (60's, 70's, and 80's)

Week 7 (October 21st): Ordering from Stores Online

Week 8 (October 28th): Pharmacy Deliveries

THIS WEEK...

amazon

The Amazon logo, featuring a thick orange curved arrow that starts under the 'a' and points towards the 'n'.

What is Amazon?

- Amazon is the online superstore – you can buy pretty much anything you could ever dream of on the Amazon website. In addition to selling regular products, Amazon can deliver your pharmacy prescriptions and can sell movies. It also has its own tablets and music services!
- We'll cover Amazon pharmacy and other benefits next week!

TODAY'S TOPICS:

Ordering and Returns

Time for a demonstration!

Next Week: Trivia – Amazon-Part 2
(Gift Cards, Music, and Pharmacy)

Tech Help Hours:

Monday – 2:30-5pm

Tuesday: 2:30-5pm
